AUBAGNE

14th & 15th of August, 2021\*

2021 EDITION, « WEEK-END IN PRAGUE »  
**VITEJTE !**

**A**rgilla, for this edition, celebrates Friendship, friendliness and the pleasure to meet again...

The town of Aubagne, in the very heart of the County of Aubagne, welcomes you to meet again our European friends who are more and more numerous to participate to our ARGILLA adventure.

This is also the opportunity to say « *Vítejte !* » \* (\*« Welcome ! ») to our Czech colleagues who enter the European Association of the Cities of Ceramics.

Prague, Bohemia... This is the destination we propose you for this week-end of exception.

Entertainment offers, various workshops will give the rhythm of these two days of celebration and of cultural discoveries with, as usual, the pottery fair in the very heart of this event.

180 exhibitors will be selected by an international committee for the quality and the originality of their production.

Of course, this show will be international and its success depends, most of all, on you.

Quality of your stall and your welcoming attitude keep on being the essential elements of this event.

Especially for this edition, since the pandemic has been hurting bad human relationship and economics.

Our goal is to ensure the necessary measures for the security of all so Ceramics and Pleasure to meet again will be the keywords of this exceptional week-end.

Are you ready to join us for this new adventure ?

The organization committee

\* This 2021 edition will be held according to government directives, and subject to obtaining authorizations from the authorities concerned.
